

# Richmond County Wellness Committee Nomination Form

The Richmond County Board of Education recognizes that student wellness and proper nutrition are related to students' well-being, growth, development, and readiness to learn, including behavior and academic achievement in school. The District Wellness Committee values the health and well-being of all students and staff, and it is committed to providing a school environment that promotes wellness.

The Wellness Committee will consist of School System and community representatives. Such Committee members may include, but are not limited to: Superintendent, or designee, Local Board member, School Nutrition Program representative, teachers (physical education and others), parents, community members, health care representatives (school or community) or other concerned stakeholders.

Wellness Committee members will meet throughout the year to plan, implement and periodically review the school wellness program and procedures. Members appointed will serve on the committee for at least two years.

If you are interested, please complete the nomination questions below and send it to the Wellness Committee designee.
